A&P Market Holds Opening As Shopping Area Expands

Selectivity of goods and services in Upland Shopping Center continues to widen this week with the opening of the first new stores in the swiftly-modernizing downtown section of Upland.

The new section, opening Wednesday, Nov. 4, at Third and C Streets, now has six stores.

Opening Wednesday is A & P Food Market. The market was to hold a ribbon cutting ceremony at 8:30 a.m. Wednesday, Nov. 4, with A & P executives and city and civic officials.

"A & P is proud to become a member of the business community of Upland," said A. S. Daniel, sales manager of The Great Atlantic and Pacific Tea Company, Inc.

Also planned to open are Enriquez Bros. Barber Shop, Tres Chic Coiffures, Joe's Radio and TV Service, Whirlpool coin-operated laundry, and Thrift-D-Lux Cleaners.

Planners said the area, located on the main loop drive around Upland's planned downtown re-development, is landscaped to provide customers a park-like atmosphere for shopping.

Folk Music Festival Ready At Chaffey JC

Chaffey Junior College will serve up to the public a folk music festival brightened by some of the ballad world's most brilliant stars Saturday, Nov. 7, at the campus gymnasium.

Folk music buffs will have the opportunity to relish the voices and string-play of the Wayfarers, of Stan Wilson with Lenin Castro, of Richard (Lockmiller) and Jim (Conner).

The two-hour concert, sponsored by the Chaffey College Associated student body, will begin at 10:30 p.m. following the Homecoming football game with Fullerton Junior College.

Freedom, Restraint Lecture Subject

"Freedom or Restraint — Mass Media for Democracy" will be the first topic in the Upland College Lyceum Lecture series for 1964-65.

The first lecture, at 7 p.m., Monday, Nov. 9, in the college Chapel, will be by Dr. David Dressler, college professor concerned with the study of men in society.

The function of the series, college officials said, is to "challenge the imagination of the community by bringing speakers of distinction to the campus."

Three more lectures will follow in February, March, and May. Season subscription donation is $4.50. Additional information is available at the college, YU 5-1801.

Murphy GOP Victor; Rumford Act Beaten; Pay TV Is Nixed

With more than half the precincts in the County reported, it appeared that the only bright spot in the election for Republicans was the Senatorial race where George Murphy led.

Upland Councilman James Christensen appeared to be going down to certain defeat at the hands of Incumbent Assemblyman John Quimby.

Republican Jerry Pettis was trailing Democratic Kenneth Dyal to fill the shoes of retiring Congressman Harry Sheppard.

President Lyndon Johnson in the County led Barry Goldwater in a substantial margin.

Both the Presidential and Senatorial races in the County followed the State and National trends.

* * *

In the Propositions in the County, they, too, followed the trend in the first returns Statewide.

All three bond issues appeared to pass substantially.

The controversial Proposition 14 appears to pass by a substantial margin.

The Pay TV proposition appears to ban pay TV from the State of California.

And the Lottery plan was rejected by the voters.

The Railroad featherbedding proposition was the closest in the County in a neck and neck battle, with State totals unknown at present.

Out of the 675 precincts reporting out of a total of 1,090 precincts in the County, none were included from the Foothill area.

From these precincts reported Johnson had 72,895 with Goldwater 54,000.

Murphy had a good margin with 68,057 compared to Salinger with 58,276.

Dyal has 64,613 with Pettis 59,877 in the closest race for Congress. The Foothill area count is expected to run substantially strong.

Quimby has the greatest lead of all races with his 30,881 compared to Christensen's 18,666 votes.

The Upland and Foothill area usually has returned margins in favor of Republicans.

With James Christensen's home base as Upland, it is possible he could have a heavy lead in this area as a hometown candidate, but hardly enough to win the election.

* * *

The propositions with 675 precincts reported out of 1,090 total precincts, went as follows:

Proposition 1, park bonds, 75,981 for yes and 40,258 for no.

Proposition 2, construction bonds, 79,111 for yes and 35,409 for no.

Proposition 3, State aid funds, 83,998 for yes and 30,199 for no.

Proposition 13, a lottery measure, is 72,444 for yes and 31,722 for no.

Proposition 14, to repeal the

George Graham To Be Honored For Mail Career

George Graham, mail carrier for the downtown Upland area, was to be honored at a retirement breakfast at 8 a.m. Wednesday, Nov. 4.

The Upland Chamber of Commerce Board of Directors planned to honor Graham for his work at their regular meeting.

A film entitled "Blueprint for Progress" also was to be shown, according to Floyd D. Taylor, Upland Chamber of Commerce manager.

Offstreet Parking Committee To Meet

The offstreet parking committee of Upland will meet at 7:30 p.m. Thursday, Nov. 5, in Council Chambers of City Hall, according to Floyd Taylor, manager of Upland Chamber of Commerce.

Council Meets Wednesday, Nov. 4

City Council will meet at 7:30 p.m. Wednesday, Nov. 4 in council chambers for regular business.

The meeting was re-scheduled to a new time because of general election Tuesday, Nov. 3.

STUDENT HOSTESSES in the language department will wear authentic costumes from Mexico to greet guests at the second annual Open House at Alta Loma High School at 7:30 p.m. Monday, Nov. 9. Modeling the costumes are Paulann Leaisur (left) and Debbie Mack who is having her headdress adjusted by Bertha Martinez. The costumes are supplied by Alex Coronado, Spanish teacher.

Campus-Wide Welcome At Alta Loma High Scheduled For Nov. 9

Open doors and a campus-wide welcome will be the theme of Alta Loma High School's second annual Open House at 7:30 p.m. Monday Nov. 9.

Principal Burton A. Wiley said that the format will be informal, with open classrooms and laboratories throughout the campus. Parents and friends are welcome to visit any area they so desire.

No time schedule will be followed, other than the welcoming ceremony which will begin at 7:30 p.m. The Alta Loma High School band will serenade the visitors as they arrive.

Students have volunteered to give demonstrations of their classroom activities, and other students will act as guides. In the art studios, demonstrations will be given in college, paper mosaic, stained glass window design and mural design. Crafts students will work at the potter's wheel, design wire sculpture, and papier-mache masks.

Continuous demonstrations of bookkeeping, shorthand, typing, and office machine procedures, including intensive

Chaffey Junior College Enrollment Rises 14 Percent; Each City Figure Released

Chaffey Junior College's October enrollment count of 5,212 students showed a 14% jump over the 4,569 of a year ago with a 10.8% increase for those residing in Upland.

There are 942 students from Upland now attending Chaffey College compared to the 850 of last year.

The enrollment from Upland and other communities in the Chaffey College district is 3,940, a 9.8% increase over the 3,588 tally of October of 1963.

Here are the 1964-1963 comparitive readings and percentage gains in other communities in the district:

Alta Loma, 384-327 and 17.4%; Montclair, 418-372 and 12.4%; Ontario, 1591-1458 and 9.1%; Fontana, 605-581 and 4.1%.

The combined enrollment from the out-of-district communities of Chino and Claremont showed a 59% increase over that of the previous year, or 515 students as against 324.

Chino is represnted here by 287 students eclipsing last year's enrollment of 129, a 122.5% surge.

The Claremont showing is 228 as against the 1963 enrollment of 195, a 16.9% margin. Claremont has nearly doubled its 1962 enrollment of 132 students.

Enrollment gains from other California communities total 10.9%, 672 over 1963's 606. Out-of-state enrollment is up 119% from that of last year, or 336 vs. 229.

There are 30% more students here from other countries than in 1963, or 39 compared to 30.

Public Hearing Zips Through 'Unification For One District'

Whipping through a public hearing in 33 minutes, the proposed "one-district unification' plan was presented for airing at Alta Loma High School before slightly more than 60 persons.

Under the chairmanship of Broer Lanting, a member of the County Committee, the proposed one-district plan was read section by section, with pauses for questions, comments, or explanations.

The complete plan is printed in full with this story.

The County Committee now holds its third and last scheduled meeting at 7:30 p.m. Wednesday, Nov. 4, for stamping its "final' approval on the plan. Then it goes to the State Board of Education for approval, and then before the voters in April, 1965.

The one-district plan would combine nine elementary school districts with the Chaffey Union High School District, which would provide the overall boundary of the new unit.

Others conducting the meeting included Walt Oggelsby of the State Department of Education, and Hartley Hillson, Assistant Supt. of Schools in the County.

Allan G. Smith superintendent of the Chaffey Union High School District, and the Alta Loma High School administrative staff will greet the visitors.

It was pointed out in the discussion that AB 145, the Unruh bill for district reorganization, put teeth into the law to force unification, and it was not the intent of the legislature to approve high school district divisions.

One district with 170,000 pupils and 1,700 square miles was unified, as an example, which illustrates there is little chance for this area to have

Feds Swoop Onto Garland Ranch, Confiscate Weapons, Ammunition

One of the largest "home arsenals" found in the United States was seized Oct. 30 in a raid on a Cucamonga home by Treasury agents and Sheriff's detectives.

Arrested for investigation of violation of the Federal Firearms Act was William Huntington Garland, 47, of 10024 Turner Ave., Cucamonga.

Garland was arraigned Monday, Nov. 2, by U. S. Commissioner Russell B. Herman in Federal Court in Los Angeles.

Agents said Garland is a member of the Christian Defense League, an extreme right wing organization similar to the Minutemen.

"I don't think I've ever seen a bigger home arsenal," said one Treasury agent who declined to identify himself. "This guy had enough stuff to outfit a small army," he said.

Confiscated were eight fully automatic machine guns, 40 rifles and shotguns 30 handguns of various sizes and makes, several 105 mm. antitank rockets, dozens of incendiary bombs, tear gas bombs, smoke bombs, blasting caps, thousands of rounds of .30 and .50 caliber machine gun ammunition, 30 bullet-proof vests, 10 barracs bags containing ammunition belts and survival kits, and chemicals for the manufacture of bombs.

"It's the biggest arsenal I've seen outside of a National Guard Armory," said a Sheriff's undercover agent who said he worked with Treasury agents for six months on the case.

Officers said the firearms were found in the home, and the explosives were discovered in a nearby barn.

Officers said Confederate flags adorned the walls of the Garland living room. Cartons of extremist literature, much of it violently anti-Semetic, also were found.

Detectives said the Garland arrest was result of six months of undercover work.

Garland, 47, was brought before U.S. Commissioner Russell B. Herman Saturday, Oct. 31, in Los Angeles Federal Court for arraignment on a charge of violating the Federal Firearms Act.

The hearing, however, was continued to Monday, Nov. 2, for lack of a typist.

The charge was spelled out in a rough draft composed by Asst. U.S. Atty. Ben Farber which was to be typed before being presented to Herman. However, no one could be found in the federal building to type because of the light Saturday work schedule.

"I'm sorry," said Herman. "I don't have the actual complaint before me so we will have to continue the arraignment until 2 p.m. Monday."

Garland's attorney, Bertrand Comparet of San Diego then told the court his client would like to plead innocent.

Herman said he would stick to the postponement, but agreed, at Comparet's request, to lower bail for Garland.

Herman said the government recommended bail at $5,000. Comparet termed it excessive, and Herman reduced it to $1,000.

* * *

Garland, of 10024 Turner Ave., Cucamonga, was arrested Friday, Oct. 30, after a raid by Treasury agents and Sheriff's detectives on his Cucamonga egg ranch.

Investigators and a Sheriff's detective and a Treasury agent posing as thieves attempting to "dump" stolen firearms made a deal with Garland Oct. 30 to swap some guns.

At 3:50 p.m. Friday, Oct. 30, four Treasury agents and a dozen Sheriff's deputies surrounded the home and Garland was arrested.

Garland was quoted as saying that "when the time is right" machine guns would be available to "any patriot" for $1.85.

Garland was hurried away from his home in a Treasury car with an Arizona license.

Sheriff's deputies said he was first taken to the Ontario sub-station, where an attempt was made to contact a U.S. Commissioner. When the Commissioner could not be reach-

New School Traffic Safety Group Launches 'Action Program' For City

Upland's Action program for highway and pedestrian safety, pertaining to school traffic is now under way.

On Tuesday, Oct. 29, seven committee members met at 9:30 a.m. in the conference room at the Upland Elementary School District offices on Ninth St. in Upland.

This School Traffic Safety Committee was formed through the combined efforts of Chief of Police, John A. Wessely, and Vern H. Orum, Deputy Superintendent of the Upland School District.

Members attending the meeting were: Harvey Shirk, Assistant Principal of Upland High School; Fred Blanchard, City Engineer of the City of Upland; Mrs. Michael (Bette) Morgan, Safety Chairman of the Foothill Council Parent Teachers Association; James H. Smith, Assistant Superintendent of the Upland School District; and Detective T. D. Smith of the Upland Police Department.

Chief Wessely led the discussion by outlining a program for School Crossing Protection formulated by the Institute of Traffic Engineers of Washington D.C.

He gave the committee members a summary of the report of the City Council Safety Committee, consisting of Councilmen Ronald L. Rossitter and George Gibson.

This committee was appointed by mayor Max Hawkins with advisory members including the Automobile Club of Southern California's Traffic Engineers; members of the Board of Trustees of the Upland School District and members of the Upland City Council's Police and Fire Committee.

Chief Wessely said that af-

Two-Year Building Program For Upland Schools Outlined

Anticipating a $2 million bond issue election March 2, 1965, Supt. Harold W. Cook of the Upland School District this week presented information relative to the growth and needs of the area.

Enrollment figures for Oct. 30 1964, showed 4,698 pupils in the District compared to 3,915 a year earlier. This is an increase of 783 pupils, or exactly 20%, Mr. Cook said.

The "house count" of dwellings under construction and anticipated in the coming months still is unfinished. This information is necessary for eligibility under the state aid program.

The District now has $300,000 in bonds that have not been sold as yet. This sum was part of a $1,300,000 bond issue voted Dec. 6, 1960.

On March 2, 1965, Mr. Cook said he anticipates a bond election of $150,000 from the district, and a loan from the State of $1,550,000.

This bond election money plus the $300,000 already allocated, totals $2 million which will cover the District's building and expansion needs for two years or until a "one-district" unified school district may take over the building program.

In case the one-district unification plan should fail in April, 1965, (with the new district than not coming into being July 1, 1966) the Unruh law provides that this area must vote again on unification after a wait of two years.

In case the unification election should fail, the Upland School District would need another bond issue to get it through the two-year period.

* * *

The current building program which the $2 million would take care of consists of finishing Pioneer Junior High School by adding one shop classroom, four academic classrooms, two arts and crafts rooms, and site improvements. An additional 210 pupils would be served by this addition.

Supt. Cook said this would complete Pioneer and no more building or additions would be possible on this site.

The $2 million program also would construct and furnish two complete elementary schools with K-6 programs.

Each school would consist of 18 regular classrooms, two kindergarten classrooms, a library, administrative suite, and service assembly area for feeding. Each would accommodate 650 pupils.

Thus, with a total of 1,510 pupils taken care of with this program it approximates a two-year growth figure based on enrollment projections.

Mr. Cook said the two new elementary schools would be constructed on sites as follows:

One definitely would be built on the southeast corner of 11th and Benson.

The second school will be built on one of two sites, with the decision to be made March 2, 1965.

The alternate sites are on W. 18th on the north side, between San Antonio and Mountain Ave.; or on W. 22nd St., on the north side, between Euclid and San Antonio.

A two-thirds vote is necessary to carry the bond elections.

For Council

Harrison, a junior at ...rsity of Kansas and ...mer of Mr. and Mrs. Leslie B. Harrison, 1370 Laurel Ave., Upland, is a candidate to the All Student Council from the women's large residence halls.

The elections at K. U. are tentatively set for Nov. 10 and 11.

It's nice being the bank noted for the most service

(And the very lowest service charges!)

At Inland Bank, service is our business. We've made it our goal to provide you with banking services specially geared to the needs and wishes of local business, industry and agriculture. Locally owned, managed and staffed, these services are based on an intimate understanding of the conditions in our area. And we try to offer you more.

A good example can be seen in our schedule of charges on checking accounts. You'll find our charges considerably less than those of "chain banks." Most of these banks insist you have *a minimum balance of $1,000* to write an unlimited number of checks without charge.

Not Inland Bank! If your *average balance is $500*, you can write unlimited checks AND PAY ABSOLUTELY NO SERVICE CHARGE! And even if your *average balance* is from $200 to $500, you are permitted to write from 2 to 6 checks without charge at Inland! No wonder so many of your friends and neighbors will tell you, "Inland gives you more!"

So, if you or any member of your family uses a checking account, doesn't it make better sense to bank at Inland?

Whatever banking services you require—checking or savings account, a loan for a home, home improvement, auto or personal needs, please call on us.

FIRST RETURNS FROM UPLAND

Upland with 23 out of 48 precincts reporting, is running counter to the trends elsewhere, with Goldwater, Murphy, Pettis and Christensen all leading.

Goldwater is ahead of Johnson 2,559 to Johnson's 2,128.

Murphy is ahead of Salinger 2,989 to 1,684.

Pettis is leading Dyal 2,652 to 1,994.

Christensen is ahead of Quimby 2,719 to 1,903.

On Proposition 14, the yes votes are 3,537 compared to 1097 no votes.

By Walt Orvis

Finally, the 1964 election campaign has come to the usual end. The winners won and the losers lost. Works out that way every time.

Since this is being written before election day, it's impossible to say exactly why things went the way they did on Nov. 3.

One thing remains constant in our election circus every four years: voters tend to vote by the pocketbook. When times are good, incumbents have an edge; but if things aren't going too good, that edge is worn away.

Some things still irritate, even after the shouting has finished—

—Candidates and causes plugged by movie stars, for instance. Just because an actor or an actress has been married three or four times doesn't mean they are oracles on politics and issues.

—And people who call up and ask how you are going to vote. None of your darned business.

—Platitudes and empty phrases, personal attacks, instead of discussion of the issues. Both sides are guilty.

—True-blue party members who smugly state that their party's candidates are all angels, the opposition all devils. Neither party can lay claim to all candidates being angels.

—Wives and daughters campaigning.

—Lies about candidates and propositions.

Oh, well, there won't be any more of that until the next election campaign. It's a wonder we survive.

* * *

One thing that would make the campaigns better would be a starting date, say 30 days before the election. That would give candidates and proposition proponents and opponents all the time they need.

Campaigns might not get so boring that way, and maybe with a shorter time to yak, some of the candidates would buckle down to the issues at hand more and empty phrase-making and platitude posturing less. Vain hope, no doubt.

* * *

There has been much conjecture about the future of the minority party after this election. I suspect it will last until it dies out.

There should be maybe a third party, or a couple more. There are a lot of people with no place to go. The two parties try to be all-encompassing, but they fail to cover all bases.

Southern Democrats are not of the same philosophical stripe as the northern liberals, nor are the so-called moderate Republicans the same as the GOPsters farther to the right.

* * *

The Johnson party has tried to really be all things to all people, but there are only one man, one woman, and a couple of daughters in that party. No room for anyone else.

* * *

Anyway, we can all be glad the campaign is over, whether we won, or lost.

* * *

A prediction: The electoral college will be like the weather. We all talk about it, but no one does anything about it.

It's an anachronism that should be removed from the American scene. Surgery is indicated, but who has the right scalpel, and the intestinal fortitude, to take on the job? Not the politicians, obviously, or they would have long ago.

Probably the politicians feel that maybe some day they or their man will get the short end of the popular vote but the long end of the electoral college vote, and thus steal into office.

* * *

Better get back to painting the house. Elections don't seem to make much difference when it comes to the never-ending jobs around the house.

Smoke Signals

from Alta Loma High School
By Valerie Lee Prisel

This coming Thursday, Nov. 5, the Alta Loma High cross country team will be meeting with South Hills for a cross country match. Braves, support your teams, be there!

On Friday, Nov. 6, we will be having an after school rally. Be sure to attend, and bring lots of pep and a good yelling voice. The pep council will be doing a skit to help stir up some school spirit for the game this week.

This week's football game for football fans will be played Nov. 7. The Alta Loma High School Braves will meet with the South Hills Huskys in a game we're looking forward to winning. The game will be played on the Upland High School field. Game time, 8 p.m., see you there!

Alta Loma High School will hold its second annual Open House on Monday, Nov. 9. The purpose of Open House is to give parents an opportunity to see how our school operates.

The schedule for the evening will start with an assembly in the auditorium, where parents will be welcomed, and where the format for the remainder of the evening will be presented. The parents will then disperse and be free to visit classrooms and departments in the school.

Guides will be on hand throughout the evening to answer questions and to direct parents to the rooms of their choice. All of the classrooms will be open and student projects and equipment will be on display.

Also, several students in each classroom will be present to demonstrate the use of equipment and their own work. After visiting the rooms, parents will gather in the cafeteria for refreshments.

A holiday is around the corner Braves! It is on Nov. 11. School will not be in session on this day.

Armistice Day will be celebrated Nov. 11, in honor of the close of World War I. The armistice was signed by a German delegation early on Nov. 11. By 11 a.m. that same day, orders to cease fire were joyfully accepted by people around the world.

President Woodrow Wilson issued the following proclamation: "To us in America the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in this country's service . . ."

New A Cappella Choir Is Formed At Alta Loma

A bona fide class with club satus—that is the new A Cappella Choir of Alta Loma High School.

Instructor Donald Bowers explains that the choir wishes to participate in student activities, and to function as a club, although it actually is a credit class.

Officers have been elected, a charter is in the process of being written, and fund-raising activities have started. Long-range plans are for the purchase of choir robes.

In order for a club to function on the Alta Loma High School campus, it must perform a service to the school or to the community. To fulfill its obligation, the A Cappella Choir will assist in the presentation of a free Christmas music program for the community in December.

Officers of the club are Delbert Bangle, president; April Bailey, vice-president; Julie Hollist, secretary; Harold Carey, treasurer. Social chairman, Bonnie Shetley and Steve Jackson. Bowers is sponsor-instructor. There are 46 members.

Modern Dance Symposium Visited By ALHS Students

Six Alta Loma High School students attended the Modern Dance Symposium at Bonita High School recently.

The symposium was sponsored by the local Physical Education Teachers Association, and its purpose was to highlight the benefits and techniques of modern dance.

Instructor for the event was Miss Bea Richardson, Pomona College.

Miss Richardson is a professional dance instructor, and has studied with some of the masters of modern dance, according to Miss Mary Polock, Alta Loma High School girls physical education department chairman.

Alta Loma High School students making the trip were Sharon Beard, Kathy Irato, Bonnie Shetley, Cathy Lemons, Bonnie DeAmbrogio, and Charlene Shepley.

Modern dance instructors Mary Pollock and Saundra Cox also attended.

Girls' Club Entertains Mothers

Members of the Girls Club of Cucamonga entertained their mothers and special guests at two Halloween parties and open houses last week.

The Girls' Club is sponsored by the Assistance League of Upland. The open houses were held in the Girls' Club portion of the recently-dedicated new League Center at 8593 Archibald Ave., Cucamonga.

The Tuesday event Oct. 27 was given for third through fifth grade members and their mothers, and girls in grades 6 through 8 and their mothers attended on Friday Oct. 30.

Activity at the Girls' Club sessions recently was geared toward preparation for the open houses, according to Mrs. Robert Asbill, Girls' Club chairman. Mrs. John W. Mortensen, Girls' Club co-chairman, assisted the youngsters in designing invitations.

Cookies and sandwiches made by the members at their regular afternoon sessions were served to guests attending the teas. Girls' club members alternated pouring at the Halloween-decorated tea table for both events, and a Halloween decorative motif was used throughout the club.

Special guests honored were Mrs. J. Dewey Harnish and Mrs. R. Fred Price, both of whom have shown a continuing interest in the Girls' Club members and their activities.

Queen Chris Reigns At Upland

Pretty, petite, blonde Chris Winterbourne, daughter of Eldon Winterbourne, N. 3rd Ave., Upland, doubled in brass Oct. 30.

During the first and the second halves of the homecoming game against Claremont, Chris led the songs for the student body as she has done all year at the athletic events.

At the halftime, however, she assumed an entirely different role. Dressed in an off-the-shoulder formal, Chris joined fellow queen hopefuls Judy Stamm, Carol Weigang, Phylliss Guintini, and Donna Jean Jackson in the traditional car parade.

Looking at the home bleachers as she stood with her four fellow-hopefuls, Chris found it hard to believe when Bob Smith, homecoming chairman, tolled her name as Queen of the homecoming festivities.

Still unbelieving, she accepted the red roses from UHS principal Thomas Glasheen, and still unbelievingly felt the crown of royalty placed upon her head.

For Chris this was really a "pumpkin night," and she was "her Royal Majesty," Queen Chris.

Sears Catalog Being Circulated Throughout Nation

Everything from a movie-maker's outfit to a chattering wind-up monkey is listed in the Sears, Roebuck and Co. Christmas catalog.

Copies are now being distributed in the Upland and Foothill area and to nearly 11 million homes across the nation, R. D. Meriwether of Sears, said.

More than a third of the 626-page Christmas edition is devoted to toys, he said, including miniature racing cars, battery - powered vacuum cleaner replica, sports coupe model kit, and a "whacky wind-up" monkey.

Gift ideas for adults in the catalog include a family Bible illustrated with works of Michelangelo, self-threading 8 mm sound projector, and a movie maker's outfit with props, costume, makeup kit, scripts, and director's manual.

Methodist Youths Plan Carnival For Unicef Funds

A carnival is being held on Nov. 7 at the Upland First Methodist Church by the youth groups.

The money is going to UNICEF. Those attending are asked to wear costumes from other countries.

The carnival will be held in the Fellowship Hall from 6:30 until 9:30 p.m.

There will be things to do for all ages, including games, food and fun.

Eleanor Campbell is in charge of the carnival.

Tapered Candles Burn For Burnham, Quinn Las Vegas Wedding

Tapered candles burned at a wedding between Joy Suzanne Burnham and Leland James Quinn in a double-ring ceremony Friday, Oct. 30.

Mr. and Mrs. Quinn were married by Rev. Becker of First Christian Church of Las Vegas, Nev., in the Little White Chapel, Las Vegas, at an 8:30 p.m. ceremony.

The bride held white orchids as she was given in marriage by her step-father Merle Capen. She wore a long blue brocade gown and white lace mantilla, long white gloves and white satin shoes.

The maid of honor, Barbara L. Quinn, Montclair, sister of the bridegroom, wore a light blue suit and held white orchids and roses.

The bride's mother, Mrs. Merle Capen, wore a gold lame dress and held white orchids. The bridegroom's mother, Mrs. Raymond P. Quinn wore a dress of winter white brocade and gold accessories and held a gardenia in the center of roses.

The best man was Michael Raymond Quinn, of 4496 Bonnie Brae, Montclair, brother of the bridegroom.

The bride is the daughter of Mr. and Mrs. Merle Capen, 5503 Sea Shore Drive, Newport Beach. She is a freshman at Orange Coast College and graduated from Newport High School in June. She has lived in Newport for 10 years.

The bridegroom is the son of Mr. and Mrs. Raymond P. Quinn, 1456 E. Bonita St., Upland. He works for South Coast Construction Co. and graduated from Upland High School in 1963. He has lived in Upland for six years.

The couple had a weekend wedding trip to Las Vegas. They will live at 981 Valencia St. in Costa Mesa.

The new Mrs. Quinn will continue her college education at Orange Coast.

Children's Room At Library Is 'Swinging' In Book Week

This year, Book Week from Nov. 2-7 has as its theme, "Swing into Books."

The Children's Room of the Upland Public Library is really "swinging," with new books arriving every week.

The following books are just a sampling of the treats the juvenile reader has in store for him, Phyllis Frost, children's librarian, said.

1. "Oodles of Noodles," a book of humor by Lucia and James L. Hymes, Jr.

2. "Stormy Knight," a biography of Sir William Phips by Clifford M. Alderman. Sir William's life reads like one of the most exciting tales of adventure.

3. "Biology for Children" (Hanauer), is a fine book that opens up fascinating explorations into the world of plants, animals, and the human animal, through the medium of scientific experiment.

4. Laffin's "The Face of War," an account of ten great battles, from Breitenfeld to Iwo Jima, giving a great, over-all picture of four centuries of warfare.

5. "Preep — the little pigeon of Trafalgar Square," by Schulmann, is for the youngest patron. He will love the story of Preep-posterous, with his odd color and his ridiculous beak.

6. "A Spell is Cast," the latest of Eleanor Cameron's fast-moving, mystery stories, which are so popular with the middle-graders.

The Children's Department would like to invite everyone to visit the library this week (and every week!) to see and enjoy the new and the old books. Parents, grandparents, and other adults who are thinking ahead to Christmas gifts, are being offered a free brochure, "Growing up with Books," which is put out by the Library Journal.

This annotated list of 250 books, is arranged by age level and kind, and should prove valuable to anyone

1000 Visit Upland HS At Night

Approximately 1,000 parents of Upland High School students crowded the campus on W. 11th St. Nov. 2 as the school held its annual back-to-school night.

Following a program in the gymnasium led by the district orchestra under the direction of Mr. Copp, the parents trudged across the 40 acre campus to visit the classes of their sons and daughters.

A short 8-minute session was held for each class, during which the parents became acquainted with the instructor and the general class format.

By the end of the evening many parents were "bushed," and were beginning to wonder how their boys and girls ever managed to get to classes on time. "Whew! Thats' really a big campus! I haven't walked so much since last year."

This quote, heard at the end of the evening, typified the attitude of the tired parents who the high school responsible for the education of the young people of the city of Upland.

Students Compile Directory

The students of Upland High School, working through their Student Council, have come up with a new idea.

They have planned, compiled, and published a directory of student addresses and phone numbers.

This directory will be important for contacting students to remind them of important meetings, of changed activity schedules, or for some type of personal business.

In order to compile this directory the Student Council had to secure permission from students' parents before the phone numbers could be included.

A planned budget was a necessity before the idea of a directory could become a reality.

Printing and publishing costs had to be figured carefully, and a price for each copy decided upon. To figure the price per copy it was necessary to estimate the total number of copies which would be sold.

All of these items fitted into a careful teaching plan designed to instruct the Student Council members in practical budgeting and production techniques.

The student directorys went on sale Tuesday, Nov. 3, to the student body. Each directory will cost 35¢.

Besides addresses and phone numbers, the directory contains names of school clubs and their presidents and their advisers names, and years' schedule of planned activities, and a map of the school's campus.

Johnson Wins In Poll At Upland High School

Politics is nothing new to the students at Upland High School, for they have been viewing with concern the campaigns of the two Presidential hopefuls since the beginning of the school year.

Many are the students who support vehemently the side of the campaign which they believe to be the winning one, and many indeed are the arguments in which they have engaged for the last few weeks.

Now that the campaigning is about done, and election results are not yet know, these students are anxious to see how they will stack up with the political views of the rest of the nation.

It was the task of Miss Mary Brubaker, a junior in the history class of James Stewart, Upland High School teacher, to take a poll of the students on the campus.

The purpose of the poll was to find and tabulate the political views of the students, and to come to conclusions about how the election would end if it were conducted amongst the students of the school.

Since this caucus was taken of approximately one third of the student body before the nation went to the polls, it is of significant value to the students in formulating and evaluating their opinions and the individual candidates.

The results of the student poll are as follows:

Total number of student voting, 554.

Total vote, Johnson, 276 for 50%, Goldwater, 227 for 41%. Undecided 51 for 9%.

Breakdown for each class is as follows:

Freshmen, Johnson, 80 for 48%, Goldwater, 69 for 42%. Undecided, 17 for 10%.

Sophomores, Johnson, 65 for 50%, Goldwater, 55 for 42%. Undecided, 11 for 8%.

Juniors, Johnson, 67 for 59, Goldwater, 58 for 43%, Undecided, 11 for 8%.

Seniors Johnson, 64 for 53%, Goldwater, 45 for 37%, Undecided, 12 for 10%.

New Telephone Pole Yard Being Built In Cucamonga

Construction of a new poleyard for the Ontario division of the General Telephone Co. at 8th and Hellman, Cucamonga, got under way this week, according to C. B. Miller, division manager for General Telephone.

The new facility will, when completed, serve to centralize construction and installation operations in Upland, Cucamonga, Ontario and vicinity.

Situated on a 4-acre site, the poleyard will consist of two prefabricated metal insulated buildings and extensive parking space for company vehicles.

One of the buildings will contain office space and storerooms, the office space air conditioned. The other will be a garage building, containing also a mechanized wash rack for the cars and trucks. The poleyard will be paved and fenced. Operational lighting systems will materially aid in security maintenance.

Cost of the land and buildings is estimated at $350,0.

Miller pointed out that besides facilitating telephone company work, the new poleyard will contribute notably to community taxes, probably by as much as $13,000 annually.

Contractor for the construction is the J. Putnam Henck Company of San Bernardino. The architect is Robert H. Thomas of Los Angeles.

At the present time installers and construction crews assigned to the Ontario division have to work out of various temporary locations.

A & P Opens New Market In Upland

(Continued From Page 1)

cluded are:

Jim Lewis, Manager of A & P Market; Jan Mellis of Glendora, owner of Tres Chic Coiffures; Bob Alcala, award-winning hair stylist, manager, Tres Chic Coiffures; Ben and Al Enriquez, owners, Enriquez owner, Joe's Radio and TV Service; and Stan Mahler, sales manager of Thrift-D-Lux Cleaners, Ivan Wolff, general manager of Thrift-D-Lux Cleaners.

Mrs. Mellis also owns a coiffure shop with seven operators in Azusa. She promised all top stylists for her Upland shop.

Enriquez brothers are both local barbers. Ben was formerly with OK barbers before opening the new shop with his brother Al. They are both Alta Loma residents.

Joe Latham is moving his shop from his present location on E. 9th St. The new store will have complete TV-Radio sales and repair service, he said.

Thrift-D-Lux Cleaners also is known as California Dry Cleaning Co., and are the largest dry cleaners in the West.

The A & P market will cover 13,000 square feet and will have six motorized checkout counters to speed customers orders.

A paved area adjacent to the center will provide off-street parking facilities for approximately 250 cars.

Barmakian-Norman, Architects, Engineers, and Planners of Upland, said space also is available for two more shops and a drug store.

The firm said plans are underway for the remainder of the center, including a variety store and several service establishments.

Mrs. Miller Plea Planned Nov. 4; Will Probate Filed

A plea on a murder indictment by Mrs. Lucille Marie Miller is scheduled to be entered at a hearing in San Bernardino at 9 a.m. Thursday, Nov. 5.

Mrs. Miller was indicted by the County Grand Jury Oct. 20 after hearing testimony by nine witnesses called by Dist. Atty. Don A. Turner.

She is accused of murdering her 39-year-old dentist husband, Dr. Gorden E. Miller, by burning him to death in a family auto.

Mrs. Miller's attorney, Edward P. Foley, is expected to argue for the dismissal of the Grand Jury indictment.

Foley moved for the dismissal at a hearing Oct. 30 citing penal code Section 995 which declares an indictment may be set aside: "Where it (indictment) is not found, endorsed and presented as prescribed in his code," or "that the defendant has been indicted without reasonable or probable cause."

If Foley's motion fails, Superior Court Judge John W. Kerrigan is expected to set a trial date.

In the meantime, Mrs. Miller has petitioned for probate of her husband's will and asked that the First National Bank and Trust Co. in Ontario be named administrator of the will.

The hearing on her petition has been set for San Bernardino County Court for Nov. 20.

The will, written by Gorden Miller in May 1961, names the wife his principal heir as well as executrix.

It also names Arthwell C. Hayton executor if Mrs. Miller could not serve.

Hayton, a Redlands attorney and friend of the Millers, has filed a renunciation of the executor role in favor of Mrs. Miller's desire to have the Ontario bank act in her behalf, the county clerk's office said.

Miller's will named his three children as equal heirs in case his widow preceded him in death or was otherwise unable to benefit as full heir. After the children and their children, the will named Mrs. Miller's parents and then Miller's parents as heirs.

The petition estimated Miller's personal wealth as "over $10,000."

Defense has asked for Mrs. Miller's release on bail since she was arrested Oct. 10. Hearings have been continued or postponed on the matter.

Huntington Trip Planned For 50ers

The Fun After Fifty Club met in the Recreation Hall in Memorial Park Oct. 28.

After a pot luck dinner, Don Jackson, an instructor at Chaffey High School, gave an illustrated talk on his trip to Nigeria last summer where he and other teachers were sent by the United States Government to study at the new University of Nigeria.

He also traveled in Liberia, Ghana and Guinea, and gave a talk on conditions in this rapidly changing area of the world.

After his presentation, Howard Greenwalt introduced new members, as follows: Nora Farney, Nadina Hilliard, Mr. and Mrs. Donald Margah, Paulina Phieme, Velma Kocansky, Mrs. Sidney L. Urwin.

Guests were introduced by the President: Dr. Jordan from Greeley Colo., Mrs. Florence Ealey, Mrs. Ermin, Edith Myers and Kathleen Palmer.

A trip to the Arboretum and Huntington Library is scheduled for Nov. 19.

The Kiwanis Club will hold a Christmas party on Dec. 18 at Chaffey High School for all senior citizens of the area.

Mrs. Cordelia Hutchinson, because of the pressure of other activities, has resigned as Program Chairman, and Adolph Hjorth has consented to fill the vacancy.

Mrs. Ethel Veyet has revived the ladies' singing group, which meets in the Recreation Hall at 1 p.m. Mondays.

The group consists of Myrtle Allen, Helen Bingham, Ruth Bancroft, Bernice Bloomfield, Evelyn Clement, Olga Chambers, Lillis Griffith, Kathleen Hooker (pianist), Randi Hjorth, Peark Knittle, Mary Marle, May Porter, Zola Pemby and Bertha Spence.

The Card Players will not meet on Wednesday, Nov. 11, as previously scheduled. No date has been set for their meeting.

ALHS Forms Two Student Councils

Alta Loma High School's Braves have formed two new councils to assist with the rapidly growing list of student activities at the new school.

The Pow Wow Council was formed by social chairman Kathy Wiles and her assistant, Marian Duran.

Primary purpose of the Council is to involve all segments of the student body in social activities.

The first dance planned by the group, titled "Wigwam Wobble" was a big success, according to Director of Student Activities Gus Rischer, because every student knew that he "belonged."

Rischer said that the council is now planning more and different activities.

Serving on the council are Delores Bravo, Lucila Acosta, Lupe Bravo, Connie Bravo, Lucille Meza, Lucille Gutierrez, Loretta Gutierrez, Lydia Jiminez, Bernardine Vasquez, Alice Romero Stella Aleman, Madalena Torrez, and Stella Hernandez.

The Pep Council members were chosen by the members of the Pep Squad on the basis of school spirit, and leadership. The group assists in planning rallies, lining up skits, and setting up a rooter section in the bleachers at games. The members of the Council are considered potential pep squad material.

Pep Council members are Joann Connolly, Donna Clayton, Diane Lanter, Maria Oliva, Julie Hollist, Sherry Chetlan, Linda Mansfield, Sharen Brandt, Linda Pain, Gloria Romo, and Cheryl Williams.

Edison, Nine Companies Form New Power Program

Southern California Edison Company has joined nine other electric utility companies in forming a new organization to carry out the largest regional power development program ever undertaken anywhere in the world, it was announced by Edison President Jack K. Horton.

The new organizatin, to be known as "WEST" (Western Energy Supply and Transmission Associates), covers all or part of nine states in the Southwest, an area roughly equal to one-fifth of the continental United States.

WEST plans envision a $10.5 billion, 20-year program, to be underwritten entirely by capital obtained from the investing public, Horton explained. No federal tax money will be used.

"Significant economies" in providing electricity for Southern California consumers will result from the massive regional expansion program, the Edison president predicted.

"The agreement means that individual members of WEST will pool their planning of new capacity to build huge generating installations, ranging up to several million kilowatts," Horton declared.

"The power then may be shared by transmitting it to members over Extra High Voltage lines. Each member organization will have an opportunity to share in the economy benefits provided by this combination of large unit size and Extra High Voltage transmission."

Horton said additional capacity will be built as needed to meet "total demands of the association."

"In addition to benefitting from the superior efficiency of giant-sized units, WEST members also will be able to effect substantial savings by reducing the generating reserve margins which each individual member otherwise would have to maintain," the Edison president stated.

WEST is presently composed of 10 investor-owned companies and is expected to include five or more local government-owned electric power suppliers operating in all or parts of California, Arizona, Nevada, Utah, Colorado, Texas, New Mexico, Wyoming and Idaho.

D. W. Reeves, president of Public Service Company of New Mexico with headquarters in Albuquerque, was named president of the new organization. Announcement of its formation was made at a press conference in Albuquerque on Tuesday (Sept. 22).

The WEST program calls for the long-range joint planning of some 36 million kilowatts of new generating capacity, it was announced. Officials of the group estimated that the joint planning and construction concept would save several billion dollars in building and operating costs over a 20-year period.

Under the plan, generating plants will be located to best utilize available fuel sources, whether they be coal, oil, natural gas or the atom. One of the initial projects being studied, it was announced, is a large scale plant on or near the coal fields in the "Four Corners" area of Colorado, New Mexico, Arizona and Utah.

Power plants and transmission lines will be constructed and operated by individual members of WEST or by combinations of two or more members, but all will be coordinated to form an operating part of the over-all system serving the nine-state area, Edison President Horton explained.

Also being studied, Horton indicated, are dual - purpose nuclear power plants in California, "capable of simultaneously producing electricity and converting sea water to fresh water."

Generation capacity to be added by the WEST organization in the next 20 years will be more than three times the present capacity of the Tennessee Valley Authority and the equivalent of 18 Grand Coulee dams.

It was estimated that by 1986 the WEST program will create an additional annual payroll amounting to $138 million, plus annual tax revenues of about $75 million.

Experimental State Youth Work Camp Appears Successful

By Eugene Nisbet
State Senator

One solution for the school drop-out problem seems to be passing its first test with some success.

This opinion of the results achieved by the state's first experimental work camp for youth was joined in by a number of state officials who testified before a recent meeting of the Senate Fact Finding Committee on Governmental Efficiency.

They recommended to the Committee that the pilot camp, which has been operated by the Division of Forestry in Riverside County since November, 1963, be supplemented by a second camp in the northern part of the state, perhaps Monterey County. The Department of Conservation was joined by the Department of Education and the Youth Authority in this suggestion.

The Riverside camp has a maximum capacity of 100 youths. It offers the enrollees school courses, vocational training and work in the several branches of forest management. The State Forester emphasized that the camp is not a correctional institution for juvenile delinquents. The youngsters are high school dropouts, or even graduates who have not been able to find other jobs.

Enrollees are selected by the State Employment Service from volunteers between the ages of 17 and 22. They are required to sign up for a six month period, and are given their transportation, food and clothing. They are paid $60 per month by the state, of which $40 is withheld until they leave the camp.

Administrators of the program told the Committee that about two-thirds of the youths are drop-outs who have a poor work when they reach the attitude toward discipline and camp.

Gradually, however, they learn to work in the forestry programs, and seek remedial schooling or vocational training. Learning how to do a day's work under discipline is regarded as the most important result of the program.

Statistically, the results so far look really encouraging. Through the middle of September, a total of 312 boys had entered the camp. Of these, 81 were still in camp, 62 had completed their six month sign up, and 169 had left camp before completion of their periods.

The comparatively high rate of "graduation" during the trial months of camp operation—20 per cent—is regarded as definitely reassuring. As one official put it, "these lads still have adjustment problems after 17 or more years of family and school influence, so it's a minor miracle that our camp program of six short months has achieved any results."

One Senator asked whether camp graduates might be an additional source of farm labor when the bracero system shuts down at the end of the year. A spokesman for the Department of Employment replied that this was doubtful. e said that while hard work and physical fitness can be sold to a point, young people are not now attracted to farm labor, primarily because of low pay.

Reference was made to four youth camps, to be operated under the federal end-to-poverty program, but it was indicated they might not be opened until late spring of 1965. The possibility of securing federal grants for additional state camps was mentioned.

It was indicated the work camp program would be kept experimental for a while longer at least.

He is a shield unto them that take refuge in him.—(Prov. 30:5).

Wherever you are, wherever you go you can dwell in the security of Christ's presence. He is your instant, constant help. He is your assurance of protection.

New Housing Law May Help Buy Better Homes

More Americans will be able to buy better homes with the help of a section of the recently-enacted housing law of 1964, Marino Riccardi, president of the Ontario-Upland Board of Realtors has pointed out.

The portion of the new law referred to by Mr. Riccardi is an amendment to Sec. 203 (b) of the program of the Federal Housing Administration.

It increases the maximum home mortgage limits which may be insured by the agency from $25,000 to $30,000 for one-family houses; from $27,500 to $32,500 for two and three-family houses; and from $35,000 to $37,500 for four-family houses.

This part of the new law was among those sections of the 1964 bill supported by the National Association of Real Estate Boards, of which the Ontario-Upland board is a member.

"The most significant thing about this new provision is that it will make it possible for purchasers to buy a better house for a lower down payment," the president of the local Realtors said. "Here are a few examples:

"Under the old law, a family buying a home valued at $29,000 had to make a down payment of $4,000 in order to qualify for FHA-insured financing; under the new law, the minimum down payment on the same home can be as low as $3,200.

"Under the new law, a family seeking a house valued at $34,600 may purchase it with a down payment $5,000 lower than under the old law which required anything in excess of the $25,000 mortgage to be added to the down payment. The down payment under the compared to $9,600."

It is noteworthy, too, that— as FHA has said—the increase in the agency's home mortgage limit recognizes the recent general high level of prosperity and increased purchasing power which enables families to meet higher monthly mortgage payments on larger and better homes, the Realtor leader said.

He added that many families are now enjoying current incomes that will easily sustain the higher monthly mortgage costs, although they may not have had the time to accumulate the higher lump sum down payments required under the old law. It is in this situation that the new provision will enable them to put their home purchase plans into effect without the delay that might have been necessary up to now.

If home purchases under the new FHA sect on follow the recent pattern, Mr. Riccardi observed, existing houses will dominate buyer choices. According to the latest figures, more than three out of every four home mortgages insured by the agency had existing homes as security.

"There are many reasons for this enduring popularity of the pre-owned home," Mr. Riccardi said.

"A well-maintained existing home in a good neighborhood has proven its value. It has been through the 'shake down' period, and any flaws that may have existed originally usually have long since been spotted and remedied. In addition, many such homes offer real values in living amenities in the form of larger lots and rooms, established shrubbery and landscaping, and a complete array of civic service such as schools, roads, shopping centers, and churches."

War On Poverty Measure Implemented In County

A committee was appointed today by Roy C. Hill, County Superintendent of Schools, to implement the Economic Opportunity Act in San Bernardino County.

The act, commonly referred to as the Anti-Poverty Act, is in effect a youth training act. Legislation provides nearly $1 billion to fight poverty through work-training and work-study programs for youth between the ages of 16 and 21.

Youth from homes where the gross income is less than $3,000, are eligible to work on projects in public and non-profit agencies for minimal wages. The main purpose of the bill is to provide jobs for youth from impoverished families that will make it possible for them to remain in school or to return to school.

"Although the act does not specify that the work experience should be related to the student's vocational interest, it is our hope that projects will parallel either the student's occupational aptitude or inclination. In this way, the work experience will be more meaningful," said Hill.

At a meeting this month administrators from high school and unified school districts in San Bernardino County voted to request the County Superintendent to take the initiative in setting up a committee to formulate plans for submitting projects to the state office of the Economic Opportunity Act and to proceed in all haste so that necessary plans could be in effect by Nov. 1, in the hope that youth could be on the job shortly thereafter.

The committee of: F. Eugene Mueller, Superintendent, San Bernardino Unified School District; Edward V. Ryan, Asst. Supt. Rialto School District; Dr. C. Weynard Bailey, Superintendent, Colton Joint Union High School District; and Dr. M. Fred Tidwell, Coordinator of Vocational Education. Roy C. Hill is chairman of the committee.

"We are concerned," said Hill, "that no youth in San Bernardino County should be denied an education because of conditions of poverty; and we are going to get the program into operation at the earliest possible moment."

Garrick Players To Meet

A meeting will be held for members and friends of Garrick Players at 7:30 p.m., Tuesday, Nov. 10, in the basement of the Ontario Public Library.

The premier performance of an original play, "Garrick at Drury Lane," will portray for the audience the many-faceted career of David Garrick, for whom the group is named.

Cast in the play are Pat Breyman, Ontario; Christina Dixon, Upland; Jere Gronginger, Riverside; and Richard Sammuelsson, Montclair.

Reading the voice of David Garrick from off stage will be Stone Walker of Claremont, a veteran of 60 years of theater work.

The meeting is open to the public. Anyone interested in theater or history of literature is invited to attend.

County School Boards Group To Meet Nov. 16

"There'll Be Some Changes Made" will be the topic for Stary Gange, featured speaker at the annual fall meeting of the San Bernardino County School Boards' Association.

Eisenhower High School in Rialto will be the site for the dinner meeting at 6:30 p.m., Monday, Nov. 16.

In addition to the regular business of the association, there will be an election of members to the County Committee on School District Organization, according to County Supt. of Schools Roy C. Hill.

The terms of Fred Barnes and Raymond Beeler of Supervisorial District 3 and Elmer Hill of Supervisorial District 2 will expire.

Scottish Rite Masons To Build On 10-Acre Site

Title has been acquired for 10 acres of land as a site for a new Scottish Rite Building, it has been announced by Henry H. Carrithers, 33 degree, Secretary, of the San Bernardino Scottish Rite Masons.

The property is located at the northeast corner of the Barstow Freeway and State St., in the vicinity of the proposed new San Bernardino State College.

A building project will be started by this organization in the near future.

...afety ...anches Action Program

(Continued From Page 1)

ter various programs and materials had been studied and surveys conducted, the recommendations set forth in a booklet entitled "A Program for School Crossing Protection" was adopted for use.

He added, the City Committee agrees that criteria for furnishing protection at school crossings must be established and the program administered uniformly on a fair and impartial basis.

Vern H. Orum, Deputy Superintendent, pointed out that greatest asset to our community and future are the children which have been entrusted to our care and that there could be no value great enough to place on the life of a child.

He said that in establishing these policies and procedures of protection we will need the help of everyone in the community.

Mr. Orum moved that Mrs. Michael Morgan, Foothill Council Parent Teacher Safety Chairman represent the parents as general chairman of the School Traffic Safety Committee. Chief John Wessely seconded the motion and the remaining votes were affirmative.

Mrs. Morgan was appointed to the committee upon request of Chief Wessely and the Parent Teachers unit presidents throughout the city.

Mrs. Milton Fisher is president of the Foothill Council PTA.

An additional report was given during the meeting by Detective T. D. Smith reviewing the bike-pedestrian safety program now reaching its climax in the schools.

James H. Smith, Assistant Superintendent of Upland School District, reviewed immediate action areas in order to correct emergency school traffic safety problems and as a result of the committee's deliberations, surveys are now under way.

Mrs. Morgan will accompany the safety chairman of individual schools with their committee assistants and Detective T. D. Smith to all school intersections to study, evaluate, and determine controls needed. Complete facts will be studied by the entire committee before decisions are made.

A progress report will be given at the next regular meeting within two weeks.

All requests and suggestions will be accepted in writing and referred to the committee by writing: SCHOOL TRAFFIC COMMITTEE, P. O. Box 497, Upland.

Public Hearing Zips Through Unification

(Continued From Page 1)

two separate unified high school districts.

Supt Homer Briggs of the Ontario School District made a public statement that under the unification proposal taxes would go up. Figures cited in a previous newspaper article (not us) showing a decrease did not take into account all the various tax overrides.

The complete proposal which is expected to be approved as the "final" plan and presented to the State Board and then the voters, is as follows:

THE TENTATIVE PLAN FOR THE UNIFICATION OF THE ALTA LOMA, CENTRAL, CUCAMONGA, ETIWANDA, GUASTI, MOUNT BALDY, MOUNTAIN VIEW, ONTARIO, UPLAND, AND CHAFFEY UNION HIGH SCHOOL DISTRICTS

(Hereinafter referred to for identification purposes only as the Chaffey Area Unified School District)

The following tentative plan was adopted by the San Bernardino County Committee on School District Organization on 14 October 1964.

Description of Boundaries

The boundaries of the proposed Chaffey Area Unified School District shall be the same as the boundaries of the existing Chaffey Union High School District.

Property, Funds, and Obligations of Component Districts

Under the provisions of Education Code Section 3346, all property, funds and obligations of the Alta Loma, Central, Cucamonga, Etiwanda, Guasti, Mount Baldy, Mountain View, Ontario, Upland and Chaffey Union High School District, other than the bonded indebtedness thereof, shall become he property, funds and obligations of the proposed Chaffey Area Unified School District.

Maximum Tax Rate in the Proposed Unified School District

The County Committee recommends, under the provisions of Education Code Section 3255, that the allowable maximum tax rate of the proposed unified school district be a rate which would produce revenue for the proposed unified district equal to the sum of the revenue of each of the component districts had the maximum allowable tax rate been in effect in each component district during the school year immediately proceeding the effective date of unifitcationfo rf all purpoes.

Assumption of Bond In-debtedness.

The County Committee recommends that, under the provision of Education Code Sections 3257 and 3305, an election be held in conjunction with the unification election to determine if the voters of the area of the proposed unified district wish to have the bonded indebtedness of the elementary school districts assumed by the proposed unified school district.

Governing Board

The governing board of the unified district will consist of seven (7) members elected at large from the entire area.

The San Bernardino County Committee on School District Organization respectfully submits this plan as provided by Education Code Section 3010 and recommends that the California State Board of Education approve such plan.

This proposal is submitted as a part of the new Master Plan for School District Organization for San Bernardino County in compliance with the provisions of Education Code Section 3010.

Braves To Face South Hills; Both Sport Identical Records

By TOM ABBOTT

The Braves will return home at 8 p.m. Saturday, Nov. 7 to face South Hills in their third league encounter of the season at Upland High School.

Both teams sport identical two and four records. They both have suffered two defeats in league play without a victory. South Hills has fallen to Bloomington by a score of 20 to 6 and Gladstone 30 to 0.

South Hills originates from the Covina area and supports a student body of 1,300 which goes through the junior year.

They play a pro-type offense with a split end and flanker. Their quarterback likes to throw the ball and they do most of their damage through the air.

* * *

Alta Loma traveled to Bloomington last Saturday night for their second league encounter. They come home on the short end of a 32 to 7 score.

Russ Whitney scored the Braves only touchdown from five yards out on an end sweep in the third quarter. Ron Hernandez split the uprights for the extra point which completed the Braves scoring.

Doug Watford was the Braves standout defensive player, intercepting a pass and blocking an extra point try. He also did a fine job bottling up the end sweeps.

* * *

Last Thursday the freshman squad traveled to Norco Jr. High and suffered their second straight set back by a score of 13 to 6.

Rudy Aleman punched over the Braves only score in the first quarter on a seven yard burst up the middle. The offense was slow and was hampered by fumbles and pass interceptions.

The defensive team played excellent ball, but penalties allowed Norco to advance the ball into scoring position.

Larry Cook did an outstanding job on defense by intercepting a pitch out and scampering 20 yards before being hauled down from behind.

The defensive corps also was led by guard Rich Leyva who was a thorn in the Norco running attack all day long.

* * *

The bee squad suffered its first league loss last Friday to Bloomington by a count of 13 to 6.

The defense again proved to be the bright spot with Joe Pavsek, Ernie Martinez, Bucky Egge, Ed Gibson, and John Hamilton playing an outstanding game.

Offensively guard Steve Alvarado did his usually fine job opening the door for the Braves longest run of the game on a trap play that netted 22 yards with Ed Gibson carrying. Joe Curletti did another fine job in directing the offensive team.

UHS Varsity Football Team Seeks First League Victory

By PHIL STONE

Upland High School's varsity football team will be out to try and win its first San Antonio League game of the year as they battle Bonita at 8 p.m. Friday, Nov. 6, at Highlander Field.

Although this game is being played at Upland it will be an away game for the Highlanders. Bonita does not have their own field and have rented Upland's for the evening. For this reason students will have to pay 50 cents with an ASB card to attend the game.

Although Bonita never has won a game at Highlander Field, the Highlanders are going to have their hands full trying to keep the Bearcats in check. Bonita has been the surprise team of the SAL this year with a 2-2 record, having downed Chino, 13-0, last week.

Injuries have plagued the Uplanders all year and when the team takes to the field Friday there are bound to be a few changes.

Rusty Stiffler will be playing quarterback, taking over for letterman Don Wilcox who is out for the rest of the season with a foot injury. Sophomore Dave Garcia will fill in the fullback spot vacated by both Larry Van Tiem (foot injury) and Ted Thrasher (kidney injury).

Both the Highlanders and Bonita are conservative teams and will keep the ball on the ground for the majority of the game. Even so both teams have the power to throw the long pass and either team may catch the other napping.

* * *

Last week was homecoming for the Highlanders and although they lost to Claremont, 26-6, it was the finest team effort thus far this year. However two fumbles and not being able to make a first down on their own 20 on a fourth and one proved to be the Highlander downdall as Claremont capitalized on the mistakes for touchdowns.

Although driving hard throughout the first half, the Highlander touchdown did not come until there was just 1:58 (one minute 56 seconds) left in the half.

Quarterback Stiffler and half back Jim Smith teamed together for a 70-yard pass play with Smith running between two defenders to catch the pass and not being touched after he caught it. The TD was satisfying to the Highlanders in as much as it was the first TD scored against Claremont in league play.

Other football scores last week found the Upland Forsh defeating Chino, 13-7, and the Bee team winning their first game of the season, beating Claremont 26-20.

Changes In Laws On Firearms Up For State Review

By EUGENE NISBET
State Senator

The second amendment to the U.S. Constitution part of the "Bill of Rights," states that "the right of the people to keep and bear arms shall not be infringed."

For generations this prohibition against any law which would prevent an individual from owning and carrying weapons was taken pretty much for granted.

The "two-gun days" which opened our great Western Frontier brought no great problem until the 1870s, when Wyatt Earp and Bat Masterson pacified Dodge City, and the use of hand-guns in the town was barred.

Gang violence in the early years of this century brought the first statutes to require permits for the ownership of concealable weapons, and their registration with authorities.

California was among the first to enact such a law. The assassination of our late President, committed as it was with a mail-order rifle, has brought renewed pressure for tightened firearm control laws.

The Assembly Committee on Criminal Procedure held a one day hearing on the problems involved.

In statements read to the Committee, the Governor and the Attorney-General advanced several methods of tightening our state firearms laws without unduly limiting the legitimate use of guns by sportsmen.

The suggestion that all firearms be registered, or that permits be required before they could be purchased was greeted with "grave doubts as to its wisdom" by the Governor.

The primary suggestion for amendment of existing law made by the two state executives was that the present waiting period before a newly bought concealable weapon may be delivered to its buyer be raised from 3 to 5 days. This waiting period is intended to give the state bureau of identification an invesitgation time to discover whether the purchaser is an ex-felon, narcotics addict, or non-citizen. Such people are not permitted to own hand guns.

Other suggestions offered by the Governor include: raising the age limit for possession of a concealable weapon from 18 to 21; tighter control over possession of such guns by ex-felons, narcotic addicts, and former mental patients; that stealing of such weapons be made a "grand theft," punishable at the court's discretion by penitentiary imprisonment; that ages and fingerprints of buyers of all such weapons be reported to the state; and that local law enforcement agencies be notified of all sales of such firearms.

he Attorney General recommended that rifles having barrels less than 16 inches be outlawed. One shown to the Committee has a 12 inch barrel, but is now legal if not used with a clip holding more than 10 cartridges.

He also urged that sheriffs and chiefs of police be allowed to issue permits to carry concealed firearms only to persons living within their own jurisdictions.

The 20 or more spokesmen for sportsmen and gun dealers who addressed the hearing agree that existing California law is adequate to deal with any problems involving use of firearms in the state.

However, they expressed no objection to additional legislation aimed at preventing misuse.

An official of the National Rifle Association called the existing California law one of the best in the nation.

The Committee was warned that law abiding citizens may complain strongly against fingerprinting in order to secure a gun permit.

SCHOOL TRAFFIC SAFETY COMMITTEE consists of (from left) Harvey Shirk, T. D. Smith, Vern Orum, Mrs. Michael Morgan, James H. Smith, John Wessely, and Fred Blanchard.

Ag Extension Names Man To SB County

H. Fisk Phelps is the new director of the University of California Agricultural Extension Service in San Bernardino County.

His appointment was announced by Harold W. Schwalm, Riverside, assistant state director for Extension in Southern California.

Phelps, until now an Extension economist headquartered at the University of California, Riverside, replaces Fred W. Dorman, who will be transferring to another assignment in the Agricultural Extension Service, Schwalm said.

Phelps will begin his new duties in San Bernardino Nov. 1.

use of audio-visual equipment will be presented in the business education department.

The language laboratory will be manned by students, and hostesses will be dressed in authentic costumes of Mexico. Homemaking students will display table settings, and give a continuous demonstration in the student kitchen.

The electronics, auto, metal, and woodshops and drafting rooms will carry a continuous student demonstration.

Mathematics students will discuss the relationship of modern math to the Alta Loma math program, and science classrooms will combine student experiments with faculty discussion of the laboratory approach to science courses.

Both boys' and girls' physical education classes will give demonstrations of the skills taught in the several areas, and displays of athletic equipment will be arranged.

Wiley said that all of the staff will be on hand to make the guests feel at home, and to explain their particular teaching areas at ALHS.

At the end of the evening the guests will be invited to join the staff in the cafeteria for refreshments.

Alta Loma X-Country In Sweep

The Alta Loma High varsity cross country team, led by John Tatum, scored their second straight league victory score of 39 to 21.

Tatum finished second, followed by Ron Whitney, Dan Gutzwiller, and Rick Espinoza. Dave Crawford finished seventh, Dave Job ninth, and Frank Oliva tenth.

The JV team was led by Dave Bentley as they scored a 19 to 39 win.

The freshman squad garnered their second victory of the season to complete the sweep.

Thursday Nov. 5 the Braves will travel to Mt. Sac. to face South Hills in the league championship decider.

Pack 'Goes' This Fall

Upland's Serrano District Cub Scouts Pack No. 617 has blasted off with all stations 'Go' this fall.

At a recent pack meeting a record number of Cubs were commended for achievements completed last summer and several received awards.

Among them were Mark and David Forewalter for Gold Arrows and Wolf badges and Thomas Shannon, gold arrow. Den No. 3, Mrs. Ed Rebitz's den, proudly received the trophy for having won the National Inspection Contest.

The monthly pack meeting was held Oct. 26 at Sierra Vista School, Cal McElwain, Scoutmaster presiding.

Den Mothers Barbara Bowman, Jean Rebitz and Lucille Forwalter elaborately decorated the room to set the theme for a gala Halloween carnival, which was enjoyed by about 125 persons—cubs and families.

Awards for costumes were given to John Hocum, most original; Brad Bowman, "farthest out"; Mark Forwalter, funniest.

Next month's meeting will observe the forming of three new dens in this pack, plus new committees and a new Scoutmaster for the coming year.

Mayor Turns Over Shovel Of Dirt For $2 Million Shopping Center

A turn of a shovel-full of dirt on the northwest corner of Foothill Blvd. and San Antonio Ave. in Upland by Mayor Max Hawkins Oct. 29 officially started construction on Upland Square Shopping Center.

The $2 million complex will occupy 10 acres and have more than 100,000 square feet of floor space for its 22 stores.

Announcement of plans for the center at the groundbreaking was made by Alan I. Sandorf, vice president of Penn-Ritter Mortgage Co., owners and developers of the project. Plans were developed by Stiles and Robert Clements, Architects and Engineers. Builder is Ernest W. Hahn, Inc.

It was learned at the groundbreaking that Hugh Thomas, operator of Grove Theatre in Upland, will install a new Upland Square Theatre with latest projection and sound equipment, including Cinerama. The Grove Theatre seats 750 customers while the new Upland Square Theatre will accommodate 900.

Among lessees who had signed earlier, Sandorf said, are Alpha Beta-Acme Supermarket occupying 21,000 square feet. Texaco is building their newest ranch-type service station to architecturally set off the Square.

Other tenants will be T G & Y Variety Store, Gemmel Drugs eighth facility, Party Liquors, and Winchell Donut Shop. A barber shop, laundry, dry cleaning shop with plant on premises have also signed leases.

According to Sandorf, locations still are available for hardware and sporting goods store, men and women's apparel, family shoe store, restaurant, camera shop, music and record shop, and appliance store.

Sandorf said the Square will be beautifully landscaped and have parking facilities for 700 cars. Traffic conditions should be good around the center, he said, because five entrances and exits will be provided

TWO MILLION DOLLAR Upland Shopping Square rising at Foothill Boulevard and San Antonio Avenue in Upland.

Supervisor Seeks Field Assistance

Supervisor Daniel D. Mikesell, who represents the 2nd District in the West End, asked Oct. 27, for immediate hiring of a field representative to assist him.

"I just can't handle it," Mikesell told fellow supervisors.

His district had a population of 144,530 last year, compared to 108,000 for the 5th (San Bernardino) District, the next largest district.

Noting that the board approved hiring of 300 more persons at budget time, Mikesell said that it seems inappropriate that funds can't be provided for a field representative.

"I'm not sure the people are getting the service they are entitled to," Mikesell said.

Supervisors referred Mikesell's request to Administrative Officer Robert A. Covington for a cost study.

Ross Dana, who represents the 1st (desert) District, is the only supervisor with a field representative now. The man, hired two years ago, also does work for the Highway Department.

Dana was given the field man to help him cover the vast area he represents.

Tartan Tales

from Upland High

By Jingle Martz

It's all over now! We now have only a fond sweet memory of our 1964 Homecoming Week.

Miss Chris Winterbourne was elected as our Queen. Her Court consisted of **Judy** Stamm as her first attendant, and Phyllis Giuitini, Donna Jean Jackson, and Carol Weigang as her princesses.

The Queen and her Court were formally presented at the Black Magic dance held in the cafeteria Oct. 31.

Each girl was presented with a souvenir locket.

TELEPHONE DIRECTORIES. Students had a chance to purchase the new student telephone directories last Monday and Tuesday.

Some directories are still available. Profits from this sale will go into the ASB treasury. From now on phones will be buzzing—about school work, dates, activities, and more school work.

BONITA vs UPLAND. Friday night's football game will feature a real switch for the Upland rooters. Bonita is renting our Highland Stadium. So we will be the visitors, or away team.

We will have no need for Upland rooter buses, but we will need our rooters in the stand.

COME OUT STRONG AND CHEER OUR TEAM!

UGLY MAN CONTEST. Sign-ups for any candidates for the annual AFS Ugly Man Contest are being held this week. On Tuesday, Nov. 10, the candidates will compete in a sack race between the business building and the victory flagpole.

The first six candidates to reach the flagpole will become the finalists.

Voting will be held on Thursday, Nov. 12, during the brunch and lunch breaks.

The lucky Ugly Man winner will be crowned at the Grape Crushers Ball, to be sponsored by the Future Nurses on Friday, Nov. 13. How lucky can you be?

Sign-up for your favorite candidate early. It promises to be a whooper-do of a contest.

Three Attend Art Meeting

The Art Section of the Rialto Woman's Club entertained at tea Oct. 21.

Mrs. Asger Ravn, Mrs. Leo Cherbak and Mrs. G. G. Nuernberger attended from the Cucamonga-Alta Loma Woman's Club.

Scoutleaders Attend Roundtable

Sixteen Serrano and Broken Arrow District Scoutleaders were in attendance at their monthly Roundtable at Old Baldy Training Center, Claremont, Wednesday evening, Oct. 21, according to Des Howarth, Assistant District Commissioner, Serrano District.

Major subjects covered were: "How to Recruit Parent Help," by Scoutmaster Al Bowen, Troop 301; and "Atronomy," by Scoutmaster Leon Lamphear, Troop 607.

Calendared events for November and December were also discussed. Upland leaders present were: George Shipway, Scoutmaster, Troop 601, Melton Howard, Assistant Scoutmaster, Troop 603; Dick Sherman, Scoutmaster, Troop 622;

Local Scout officials present were: Warren Cliburn, Broken Arrow District Camping Chairmen; Ian Richardson, Serrano District Commissioner; Bill Bayan, Neighborhood Commissioner, Serrano District; George Van Tubergen, Assistant Scout Executive. Bob Richie of Upland attended as a visitor.

New arrival: seeks long-term lease

This new-born fawn and all his kind will prosper. Thanks to the Federal Wilderness Law, millions of beautiful acres will be set aside as a perpetual wilderness and home for wildlife.

Standard Oil welcomes it. Our drilling crews work in close cooperation with fish and game and wildlife officials. Our helicopter crews cooperate in forest fire patrol. Standard men have even gone out of their way to enlarge a breeding pound, or truck water to drought-stricken animals.

If oil is found, operations are planned with a minimum of disturbance. Working areas are fenced to protect the animals . . . wildlife returns, often increases.

Standard Oil men are good neighbors to the wilderness.

Chattin' with Chad

by Carolyn Chadwick — YU. 2-4259

Mrs. Paul Hershey celebrated her birthday last week.

On Wednesday her son and daughter-in-law, Mr. and Mrs. David Hershey honored her at a family dinner party. Guests for the festive evening were Mrs. Hershey's parents, Mr. and Mrs. Harvey Hays; her daughter Miss Ellen Hershey; her husband; and two grandsons, Kevin and Paul Scott Hershey.

Thursday the Hersheys dined at the Casa De Mayo with Mr. and Mrs. Dean Love and Mr. and Mrs. Edwin Behm. Mr. Love and Mr. Behm were also celebrating birthdays.

Mrs. Clyde Mackall visited Tucson, Ariz., last week. She attended a conference at the University of Arizona on Community Improvement.

Dr. Kent Tyler and family, of Riverside, were he guests of his brother, Lt. Col. Loren Tyler, Friday night. Saturday the Loren Tylers took Dr. Tyler and family to the Los Angeles International Airport, where they boarded a plane for Brazil.

Dr. Tyler is moving his family to Brazil for two or three years, where he will work for the government in the Alliance for Progress program. He is a doctor of agriculture and has been associated with the University of California at Riverside for several years.

Mr. and Mrs. John Reese returned last Friday from a six week vacation. They visited much of the United States. Among the places they visited were Fort Worth, Tex.; New Orleans, La.; Jacksonville, Fla.; Washington, D.C.; New York City; Cleveland, Ohio; and Lorain, Ohio.

They stayed three weeks in Lorain before heading home. While in Washington they visited Arlington National Cemetery and Mount Vernon among other things. In New York they toured the World's Fair.

Mr. Robert Erickson celebrated his birthday last week as the dinner guest of Mr. and Mrs. Lyle Fry. He was accompanied by his family. His family presented him with a puppy.

Mrs. John Wiedeman, mother of Mrs. Richard Sneed, has sas. She had been visiting her returned to her home in Kandaughter and family since September.

Mr. and Mrs. John Skewis returned recently from a week's vacation in Baja de Palmas, a little town about 65 miles from La Paz Mexico. While there they went sport fishing for the first time. Mr. Skewis caught a 390 pound Black Marlin as well as three sailfish, eight dolphin and an 80-pound turtle.

Mr. Gilbert Allred, brother of Mrs. Loren Tyler, and family have recently moved to Upland.Welcome.

Miss Jane Sewis, daughter of Mr. and Mrs. John Skewis, was home last week end from Cal Poly at San Luis Obispo. She attended the University of Southern California homecoming and the SC-Washington football game.

Her sister Mary joined the family for the day Sunday.

CAPTAIN Silvio B. Chiorino (left), son of Mrs. Mary Chiorino of 122 De Anza Circle, Ontario, is congratulated upon being certified as a C-135 Stratolifter aircraft commander at McGuire AFB, N.J. A pilot with eight years service, Captain Chiorino was upgraded after passing rigid academic and flying requirements. A graduate of Chaffey High School, he attended Chaffey Junior College. His wife, Margaret, is the daughter of Mrs. Margaret Powe of Upland. Offering congratulations is Col. Edward L. Jones, vice commander.

Key Club Takes Over At Kiwanis

Thirty-four members of the Circle K. Key Club of the Upland Kiwanis Club took over the regular club meeting last week.

Kiwanian Jack Blair presented Key Clubber President Steve Harmon a gavel. The Upland Mayor's son, Norm Hawkins, received his gavel for serving as the 1963-64 president.

Projects of the Key Club were presented by Harmon. Among them are an American-Foreign Student program, concession stands at high school sports events, canine vaccination program, flag raising guard at school, aid on the club Pancake Breakfast, decorations for the homecoming dance, service at the Father-Daughter banquet at Upland High and Camp Conifer, assistance every Tuesday at Casa Colina.

The Key Club's next meeting will feature a program on marital problems. Kiwanis members are invited.

Mr. and Mrs. Jesse V. Martinez, of 10163 26th St., Cucamonga, became parents of a baby boy at 4:32 a.m. Sunday, Oct. 25, at San Antonio Community Hospital.

Bank Will Build New Headquarters

New head office facilities and remodeling of present quarters of First National Bank and Trust Co. are planned for early 1965, it was announced by the Bank President and Chairman of the Board Ralph V. Arnold.

The present office at 121 W. E St. Ontario, will be completely remodeled and refaced on the exterior. The main banking room will occupy the entire ground floor in the existing building and will house the new accounts department, customer lounge, public lobby, loan processing area, note department, an officer's area, a conference room, 19 tellers' stations and private offices for some of the officers.

The mezzanine in the existing building will house the employees' recreation room with kitchen facilities and a mechanical equipment room.

A contemporary two-story structure will be built in back of the remodeled quarters where the Escrow and Personnel offices now stand. The building will be stressed to carry a future third floor when expansion dictates, Arnold said.

The existing building will be connected by a bridge to the new building. There will be a continuity of design between the present bank building and the new building.

The Trust Department, Escrow Department, Personnel and Payroll, six private offices and a small lounge will be located on the ground floor of the new building.

The second floor will house the Auditing Department, Proof Department, central files, an assembly area, seven private offices, Director's room, book vault and the President's Office.

The new building will have a full basement and will contain the Safe Deposit, Lobby and vault, records vault, print shop, mailing room, check printing area, general storage space and various equipment rooms. An elevator will service this building.

The two buildings when completed, will contain 29,490 square feet. The rear building will be built first and the building shell will be temporarily occupied by the E Street Office while their office is being remodeled.

The buildings will be entirely carpeted including the bank lobby. The bank will provide a drive-up unit and four walk-up teller windows. The bank acquired the southwest corner of Laurel and E Street for additional public parking and the northwest corner of Palm and E Street for an employee parking lot.

The bank will have an estimated investment of $900,000 in buildings, premises and parking lots. An estimated $300,000 will be spent for furniture and fixtures. Arnold said that the building would be the most modern and attractive financial building in the West End of San Bernardino County. The project will be completed in 1966.

The new quarters have been designed by the Bank Building and Equipment Corporation of America. The consultant on the job is Warren Nagel of the Company's West Coast branch. Melvin A. Rojko is the architect. Bank officials have been working for over a year on the plans.

Arnold reported that a definite decision has not been reached as to whether or not the present Head Office building will be operated as a branch.

Petite Coed Named Woman Of The Month

A petite coed of Chinese extraction has been named Woman of the Month at Chaffey Junior College and a candidate for the Jeanette Parkill Award.

She is Miss Carolyn Gin, Associated Student Body publicity chairman. The second-year student is also chairman of the ASB Orientation Committee and the Associated Women Students Social Committee.

Her parents are Mr. and Mrs. Raymond Gin, Upland.

Miss Gin, who was an Upland High School cheer leader, is preparing herself for a career in occupational therapy.

The Jeanette Parkill Award is presented yearly on the basis of student activity, scholarship and character.

Advance Funds Asked For Schools

A resolution requesting a loan or advance of $700,000 from the San Bernardino County Treasurer was adopted by the Chaffey Union High School Board of Trustees at a meeting Friday, Oct. 23.

The loan or advance would go to meet "existing obligations of the district," Benjamine F. Allen, president of the board, said.

The meeting was held in the Chaffey Union High School District Board Room, 211 W. Fifth St., Ontario.

Upland Lion Of The Week

(Editor's Note: The following is another in a series of biographies featuring members of the Upland Lions Club. The material is taken from the Lions Weekly bulletin, "The Tail Twister" and is in recognition of the club's 40th year.)

Lowell S. Donnell, Immediate-past Bulletin Editor, was born in 1892 in Salida, Colo., the son of carpenter J. Edwin Donnell.

When his son, Lowell, was a few months old, Ed Donnell took his small family to Greenville, Ill., to live. Young Lowell attended Greenville grammar schools.

On Nov. 11, 1903, the Donnell family moved to Los Angeles, where Lowell attended Polytech and Los Angeles High School, graduating in 1911.

After two years of study at Los Angeles State Normal School, Lowell began teaching at Glendale Elementary School. His studies at Occidental College were interrupted in 1917 by army service. Lowell was assigned to the 144th Field Artillery, Battalion D.

Upon his release from the army, Lowell returned to classroom teaching and also worked with his father in the building trades. In his "spare time" he attended classes at Occidental College.

In 1920 Lowell received his B.A. from Occidental College. He accepted a teaching position at Franklin High School between 1921 and 1928. He bought a citrus grove in Upland in 1927, moving to Upland in 1928.

Full-time citrus ranching and poultry raising kept Lowell busy until 1946 when he returned to teaching part-time for four years. During this period, cold freezing weather meant a busy 24-hour schedule for Lowell. He would teach all morning, fill smudge pots all afternoon and fire them all night.

Wilhelmina and Lowell were married in 1951. Their two nieces and three grandnieces are the source of much joy.

Lowell is a member of the Masons, has worked on the United Fund drive and is Past Ruling Elder of the Upland Presbyterian Church.

The Donnells enjoy travel. Their trips have taken them to the Eastern United States, into Canada and the Great Northwest.

Mass Is Held For Joseph Strack Of Cucamonga

Requiem Mass was held Oct 27, at St. Joseph's Church of Upland for Joseph Paulus Strack, 53, of 7627 Buena Vista, Cucamonga.

Homemaking Students Visit Embryology Museu

Mrs. Ruth Parker, Alta Loma High School homemaking department chairman, took a busload of students to the Alfred Shryock Museum of Embryology at Loma Linda University.

Students, members of the child care and development class, toured the museum, which is dedicated to make the teaching of microscopic anatomy and embryology realistic.

Mrs. Parker said that the group visited the collection of the embryos, both normal and abnormal.

There are about 120 specimens in the museum.

Also on the program was a demonstration showing the damages of various excesses to the human body.

College Seeks New Students

Attending the national conference of the Association of College Admissions Officers in Detroit, Mich., Oct. 8-10 where 1,700 high school counselors and college admissions counselors were present, was Melvin H. Bowers, Director of Admissions, Upland College.

A unique feature of the conference was the Friday session, when high school counselors contacted college admissions counselors at college tables dispersed throughout the hotel banquet rooms. High schools represented included mainly the states in the midwest, the east, New England, and the south. One high school was represented from Portland, Ore.

A considerable number of colleges from the Pacific Coast were present.

On the return trip from Detroit, Mr. Bowers contacted alumni and prospective students in the Dearborn area, in the North Shore area of Chicago, at all of the high schools in Des Moines, Iowa, and in Whichita, Kan.

While in Chicago, Mr. Bowers also contacted Mr. E. E. Hainsbrough of the American College Bureau whose organization will represent Upland and seven other colleges in the Chicago area, contacting school counselors, interested students, alumni, and supporting church pastors.

Another visit was made to the College Admissions Center in Evanston, Ill.

This center, the home office of the Association of College Admissions Counselors, plays a prominent role in assisting high school students to gain admission to college, particularly after the student has been denied admission at one or more colleges.

A great number of well-qualified students are processed through this center.

Upland College has used the main service of this center for a number of years.

Special Gifts Quota Is Honored

The Upland Special Gifts section of the West End United Fund campaign again was honored this week for being above quota in donations.

The section had pledged $4,401 as its goal, and realized $3,378 of that this week—76.7 per cent of goal.

The honor was announced at the campaign third report luncheon last week. The campaign as a whole has realized 56.9 per cent of its goal so far. It had expected to collect 65 per cent of its hoped-for donations by this time.

Other local residential campaigns gave these reports: Upland, $960 reported, $2,273 goal (42.2 per cent); Montclair, no report, $93 goal; Cucamonga, $135 reported, 3921 goal (14.6 per cent); Alta Loma, $163 reported, $413 goal (39.4 per cent); Etiwanda, no report, $302 goal; Guasti, no report, $26 goal; Mt. Baldy, no report, $134 goal.

Small business campaigns had these reports: Upland, $554 reported, $1,654 goal (33.4 per cent); Montclair, $25 reported, $1,295 goal (1.9 per cent); Cucamonga, $425 reported, $963 goal, (44.1 per cent).

Two New Kiwanis Members Named

Two new members of the Upland Kiwanis will be presented at the meeting of the club Nov. 5 on Arrow Day. They are Jac Pickrel and Jim Randles.

A graduate of Upland High School, he received his A. A. degree from Chaffey Junior College, Alta Loma.

Alan Rich Is Vice-President

California State Polytechnic College, Kellogg Campus, student Alan Rich last week was elevated in error to freshman class president in last week's edition of THE NEWS.

Rich was voted into office as class vice-president.

New Church With Spiral Approved For Construction Despite Airport Objection

A proposal to build a new church with spire near Cable airport was approved last week by the Federal Aviation Agency, according to Joseph A. Tippets, director of the agency's western region.

Rev. G. Ross Laidlow, of the Foothill Baptist Church, 856 Amber Court, Upland, received the approval for a 25-foot church building with 18-foot spire on west 15th St.

The proposal was opposed by Dewey M. Cable, airport owner, who objected on the basis that the structure would be a hazard to some operations at the airport.

The proposal submitted in July this year, was circulated by the FAA to interested parties and the agency conducted a study of the matter.

It was shown that the church would be situated under a "missed approach pattern" for some airport operations. That means that if an airplane missed a landing from the normal approach on the west side of the airport runway, it would pull out over the church, which will sit on the east side of the runway.

Cable owns enough property to extend his runway 350 feet closer to the proposed church, the study showed, which would mean that airplane pulling out of an extended runway would pass even closer over the proposed church.

It was noted in the study, however, that the FAA recommended minimum obstruction clearance would be met in either case.

The study further revealed that there were several 45-foot power lines and 50-foot shade trees also in the path of air planes leaving the airport.

Tippet said that the proposed 43-foot church and spire would be below the maximum FAA obstruction clearance area, making it safe for airplanes to pass over.

Also, he said, the church and spire would be no more of a hazard than existing poles and trees, which apparently will be there for some time.

Tippet explained the study in a letter to Rev. Laidlow and indicated that both the church could be built and the airport runway extended withty.

Tippet pointed out to Rev. Laidlow in the letter of approval, "it is appropriate that you be informed that aircraft noise may be expected in this area."

Past Presidents Of Rotary Club Talk Of Activity

A panel of past Upland Rotary Club presidents spoke on various divisions of Rotary activity before members at a meeting of the group two weeks ago.

Bill Walton covered Visa and Rotary Foundation, Harvey Shirk spoke on Interact, Bob Thrall on Attendance, and Jack Atwood on Membership and Classification.

The meeting was attended by 44 members, 17 visiting Rotarians, a member of Upland Interact, and one guest.

Guests At Lions

Guests at the last meeting of the Upland Lions Club, Thursday, Oct. 22, were recognized in this week's edition of the club newsletter The Tail Twister.

They are Tom Piquet from the Euclid Club, Earl Brooker from Pasadena, Dave Coffoe from Ontario Host, and Dr. Hamblin from Ontario.

Masonic Activities Scheduled

Activities for November for Upland Masonic Lodge 419, 611 N. Third Ave., were announced last week by Michael J. Hanna, master. They are:

Thursday, Nov. 5—Stated meeting at 7:45 p.m. Delegates will give reports of Grand Lodge communication.

Thursday, Nov. 12—Practice for past masters at 7:30 p.m.

Saturday, Nov. 14—Special event at the Temple at 7:30 p.m. Eastern Star installation.

Wednesday, No. 18—Practice for past masters and candidates for third degree proficiency at 7:30 p.m.

Thursday, Nov. 19—Past masters night. Dinner begins at 6:30 p.m. followed by a program at 7:30 p.m. Reservation should be phoned in to YU 2-2540 or YU 2-2997, not later than 4 p.m. Tuesday, Nov. 17. The evening is listed as an outstanding event for lodge members.

Thursday, Nov. 26—Thanksgiving.

Mt. Baldy Church Rummage Sale Is Scheduled

IN A GAS DRYER

EVERYTHING DRIED FOR 2¢ a RIDE!

2¢ DRIES A HEAP OF TOWELS—OR ANY WASH—And isn't it nice, a Gas Dryer costs less to install in the first place? Most homes use gas for cooking and heating. In these homes, installation of a Gas Dryer is easy, and saves you plenty—could save you up to $150.00. With lifetime burners, it's only natural that a Gas Dryer requires less maintenance. Fast? Nothing's faster. And this means your Gas Dryer keeps pace with your washer. Treats clothes with more consideration, too. That's because a Gas Dryer offers a wider range of temperature controls for more different fabrics than any other kind of dryer. See the new Gas Dryers at your appliance dealer's soon. He'll show you what a big help a new Gas Dryer can be.

©SOUTHERN COUNTIES GAS COMPANY

WIN! A TRIP FOR 2 TO LAS VEGAS! Yes, 80 Las Vegas Holidays—yours for the winning. You'll fly via Western Airlines...you'll stay at the glamourous Dunes Hotel. To find out how you may win, visit your participating dealer soon. He'll be happy to tell you about a gas dryer. Offer limited to those living in the area served by Southern California Gas Company or Southern Counties Gas Company. Offer ends February 21, 1965.
